EXPERIENCE

General Assembly, New York, NY Jun 2014 - present
Teaching Assistant

- Provide assignment and project support for students participating in General Assembly's Web Development Immersive program

General Assembly, New York, NY Feb 2014 - May 2014
Student, Web Development Immersive Program

- Completed a 12-week bootcamp that teaches fundamental programming, computer science, and both front-end and back-end web development concepts
- Developed and deployed three full-stack web applications using a RESTful architecture and software design principles such as Agile Development and TDD / BDD:
 - BallerNYC: Public basketball court search and scheduling
 - LearnR: Interactive learning for music theory and programming
 - Relephant: Speech recognition with analytics and search

Balyasny Asset Management, New York, NY Jun 2012 - Oct 2013
Equity Research Analyst (intern) Jun 2011 - Aug 2011

- Researched and analyzed equities for one of the top portfolio managers in the company
- Maintained coverage of 15-20 public companies in the internet sector
- Gave investment recommendations that led to trades with position sizes that often exceeded \$1M
- Attended large-scale internet conferences, including participation in one-on-one or small group meetings with C-level executives from public internet companies
